

Bone Marrow Testing [3868]

Nursing Communication

Nursing Communication

Nursing communication - Bone marrow biopsy

Routine, Once For 1 Occurrences
Bone marrow biopsy scheduled date:
Bone marrow biopsy scheduled time:

Hematology/Histology

Hematology (713-441-1867) / Histology (713-441-1250)

Bone marrow request

Once
A paper requisition will print when this order is submitted. The printout must accompany the specimen to the lab.

Hematology: Iron Stain, Peripheral Smear, Aspirate, Touch Prep
Histology:
Bone Marrow Biopsy

Surgical pathology request

Collection Date: 9/22/2020
Collection Time: 9:10 AM
Surgical Specimen: Bone marrow
Gestational Age:
Specimen Site: Bone marrow
Number of specimens:
Malignancy:
Irradiation:
Specimen Status: Fresh
Chemotherapy:
Hormonal Therapy:
Clinical History:
Pre-Operative Diagnosis:
Procedure Type:
Bone Marrow Biopsy

Flow Cytometry

Flow Cytometry (713-441-3520) EDTA or Sodium Heparin

Flow cytometry evaluation

Once
Panel:
Specimen Type: Bone Marrow
Reason for evaluation:
Bone Marrow Biopsy

HLA Lab

HLA Lab (713-441-3127) EDTA or ACD tube - Complete Bone Marrow Transplant Requisition

HLA specimen - Engraftment Monitoring by STR, Aspirate Only; Complete Bone Marrow Transplant Requisition

Once
Please specify the requested test(s) in the Comments section.

If the sample is for a Living donor, please also include the patient name and relationship. Example: Living donor for (patient name) and relationship
Engraftment Monitoring by STR
Bone Marrow, Aspirate Only

Complete Bone Marrow Transplant Requisition, Bone Marrow Biopsy

Molecular Diagnostics

Molecular Diagnostics (713-441-5727) EDTA

<input type="checkbox"/> Varicella zoster by PCR	Once Specimen Source: Bone Marrow Bone Marrow Biopsy
<input type="checkbox"/> Cytomegalovirus by PCR	Once Specimen Source: Bone Marrow Bone Marrow Biopsy
<input type="checkbox"/> Herpes simplex virus by PCR	Once Specimen Source: Bone Marrow Bone Marrow Biopsy
<input type="checkbox"/> Epstein Barr Virus (EBV) by PCR	Once Specimen Source: Bone Marrow Bone Marrow Biopsy
<input type="checkbox"/> Human herpesvirus 6, quantitative PCR	Once Specimen Source: Bone Marrow Bone Marrow Biopsy
<input type="checkbox"/> Enterovirus by PCR	Once Specimen Source: Bone Marrow Bone Marrow Biopsy
<input type="checkbox"/> JAK2 CALR mutation analysis cascade	Once Specimen Source: Bone Marrow Bone Marrow Biopsy
<input type="checkbox"/> JAK 2 mutation detection by PCR	Once Bone Marrow, Bone Marrow Biopsy
<input type="checkbox"/> CALR mutation analysis	Once Specimen Source: Bone Marrow Bone Marrow Biopsy
<input type="checkbox"/> BRAF, PCR	Once Specimen Source: Bone Marrow Bone Marrow Biopsy
<input type="checkbox"/> BCR-ABL t(9;22) quantitative PCR	Once Specimen Source: Bone Marrow Bone Marrow Biopsy
<input type="checkbox"/> T cell clonality testing	Once Specimen Source: Bone Marrow Bone Marrow Biopsy
<input type="checkbox"/> B cell clonality testing	Once Specimen Source: Bone Marrow Bone Marrow Biopsy
<input type="checkbox"/> 54 gene myeloid mutation test	Once Specimen Source: Bone Marrow Bone Marrow Biopsy
<input type="checkbox"/> FLT3 internal tandem duplication analysis	Once Specimen Source: Bone Marrow Bone Marrow Biopsy

Microbiology

Microbiology (713-441-0330)

<input type="checkbox"/> Aerobic culture	Once, Bone marrow, Bone Marrow Biopsy
<input type="checkbox"/> Anaerobic culture	Once, Bone marrow, Bone Marrow Biopsy
<input type="checkbox"/> AFB culture	Once, Bone marrow, Bone Marrow Biopsy
<input type="checkbox"/> Fungus culture	Once, Bone marrow, Bone Marrow Biopsy
<input type="checkbox"/> Brucella culture	Once, Bone Marrow Biopsy

Referral Testing

Referral Testing (713-441-1866) - Individual tubes may be required for each referral test. EDTA for PCR tests. Call for specimen specifications.

<input type="checkbox"/> Miscellaneous referral test - NPM	Once NPM Bone Marrow, Bone Marrow Biopsy
<input type="checkbox"/> Miscellaneous referral test - CEBPA	Once CEBPA Bone Marrow, Bone Marrow Biopsy
<input type="checkbox"/> Miscellaneous referral test - IDH	Once IDH Bone Marrow, Bone Marrow Biopsy
<input type="checkbox"/> Miscellaneous referral test - ALL OTHER PCR, Specify in Comments	Once Bone Marrow, Specify PCR test here, Bone Marrow Biopsy
<input type="checkbox"/> Miscellaneous referral test - B-ALL MRD	Once B-ALL MRD Bone Marrow, Bone Marrow Biopsy
<input type="checkbox"/> Miscellaneous referral test - T-ALL MRD	Once T-ALL MRD Bone Marrow, Bone Marrow Biopsy
<input type="checkbox"/> Miscellaneous referral test - MPL mutation	Once MPL mutation Bone Marrow, Bone Marrow Biopsy

Cytogenetics/FISH

Cytogenetics/FISH (713-441-1866) - Complete Requisition & Billing Information forms; Outpatient: include patient demographics & insurance

<input type="checkbox"/> Miscellaneous referral test - Cytogenetics	Once Cytogenetics Complete Baylor Paper Requisition, Bone Marrow Biopsy
<input type="checkbox"/> Miscellaneous referral test - AML-FISH	Once AML-FISH Complete Baylor Paper Requisition, Bone Marrow Biopsy
<input type="checkbox"/> Miscellaneous referral test - MDS-FISH	Once MDS-FISH Complete Baylor Paper Requisition, Bone Marrow Biopsy
<input type="checkbox"/> Miscellaneous referral test - ALL-FISH	Once ALL-FISH Complete Baylor Paper Requisition, Bone Marrow Biopsy
<input type="checkbox"/> Miscellaneous referral test - Myeloma-FISH	Once Myeloma-FISH Complete Baylor Paper Requisition, Bone Marrow Biopsy
<input type="checkbox"/> Miscellaneous referral test - NHL-FISH	Once NHL-FISH Complete Baylor Paper Requisition, Bone Marrow Biopsy
<input type="checkbox"/> Miscellaneous referral test - Other FISH-Specify in order comments	Once Other FISH - Please specify here Complete Baylor Paper Requisition, Bone Marrow Biopsy
