

E-Rx Controlled Substances

Audience: Providers

Electronically Prescribe Controlled Substances

To e-prescribe controlled substances in Epic, you must first install the **SecureAuth Authenticate** app on your smartphone. This app is required as a secondary form of authentication when e-prescribing controlled substances to confirm you're the authorizing provider.

To get started:

Download

- **iOS:** [Click here to download the iOS app](#)
- **Android:** [Click here to download the Android app](#)

Setup

1. From any computer, logon to: <https://auth.houstonmethodist.org/secureauth85/>.
2. Enter your Username (Houston Methodist network ID) and password.
3. Once logged in, you will be brought to this screen (Keep this page open then return to your mobile device to continue the process).
