## Dragon: Sound Settings for PowerMic and Video Visits

## Audience: All Providers

Set your computer sound for Dragon PowerMic and video visits.

## Sound Settings for PowerMic and Video Visits

1. Hit Windows Start button. Go to Settings.

2. Click System.

## 3. Go to Sound.

- Sound:
  - Set to **Speaker/HP** (**Realtek High Definition**) to hear your patient's voice from your computer audio.
- Input:
  - Set to Microphone PowerMic-NS so you can:
    - Dictate in Dragon.
    - Speak to your patient during the video visit.
